APRIL – JUNE 2026

10th Anniversary Celebration of the Ahmed & Roshan Virani Children's Clinic

On Sunday, June 21, 2026, Ibn Sina Foundation (Avicenna Clinicas) hosted a Family Fun Day! The celebration marked the 10th Anniversary of the Ahmed & Roshan Virani Children's Clinic, honoring a decade of dedicated service to children and families across Greater Houston. The event welcomed over 1,000 children, parents, and community members for a day filled with fun, education, and community engagement.

We also recognized the Virani Family and other generous donors whose support has helped expand access to quality healthcare for underserved communities. Families enjoyed a wide range of activities, including face painting, balloon art, inflatables, a petting zoo, games, food, and health education booths offering screenings and information on healthcare and community resources.

The event was attended by elected officials, community leaders, and healthcare partners, including Congressman Al Green, Congresswoman Sylvia Garcia, Mayor of Stafford Ken Mathew, as well as representatives from the offices of Commissioner Rodney Ellis, State Representative Suleman Lalani, and Commissioner Lesley Briones.

We extend our sincere gratitude to all donors, partners, volunteers, and staff for their continued support, highlighting the clinic's impact of over 70,000 pediatric visits over the past decade, and thank all partners, sponsors, and supporters for making this milestone celebration a success!

Child Mental Health in a Digital Environment

A meaningful conversation on child mental health in the digital age. Ibn Sina Foundation, RDI, and Rupani Foundation USA were honored to host a dialogue on UNESCO's first ethical framework for youth mental health in digital spaces.

Thank you to the policymakers, healthcare professionals, researchers, and community leaders who joined us in advancing a healthier digital future for our children!

Expanding of Avicenna Allied Health Institute

Avicenna Allied Health Institute, a Texas Workforce Commission (TWC)-approved institution and a division of Ibn Sina Foundation, launched its first cohort on March 30, 2026. Today, we have 30 students enrolled across two active cohorts.

We currently offer programs in Medical Assistant, Dental Assisting, Medical Billing & Coding, Behavioral Health Technician, and Pharmacy Technician. Our next cohort is scheduled to begin on July 27, 2026, with the Pharmacy Technician program set to launch in September 2026.

We have also received approval for our North Shepherd campus, and we anticipate approval for our South Post Oak location next month, as we continue expanding access to quality healthcare education and workforce development opportunities.

Parent Education Sessions Hosted by Pediatric Neurologist Dr. Ram Kairam

During Autism Awareness Month, we hosted a Parent Education Session at our Wilcrest clinic led by our Pediatric Neurologist, Dr. Ram Kairam, with special guest speaker Tenika Combs, Community Rehabilitation Provider Director, Autism Support Specialist, and Founder of Got Advocacy.

Stigma Training by Mahtab Moradi, LMFT

As a proud partner and host site for the NBHP WREDI Program, Ibn Sina Foundation provided a Behavioral Health Stigma Training led by our Director of Behavioral Health, Mahtab Moradi, LMFT, helping educate and inspire the next generation of behavioral health professionals.

Together, We Are Stronger!

Throughout this year, we were pleased to welcome several organizations to tour our clinics, meet our dedicated team, and gain a deeper understanding of the services and programs we provide. Improving the health and well-being of our community is a collective effort, and we are grateful for the opportunity to collaborate with organizations that share our commitment to making quality healthcare more accessible for all.

Here For You – Right In Your Community

This spring, our Marketing and Outreach team participated in **53 community events, reaching over 8,000 community members across Houston.**

Through these efforts, we provided health screenings, shared educational resources, and connected families to the medical, dental, specialty, and mental wellness services. We remain committed to expanding access to care and strengthening community awareness of the resources available!

Share The Blessings

Your donation helps us continue making a meaningful impact in the lives of families across our community. As we begin celebrating 25 years of service, your support allows us to provide affordable, compassionate care—including medical, dental, specialty, diagnostic, and mental health services—to those who need it most, helping families stay healthy and thrive.
